# QUALITY FOODS FOR SPECIAL OCCASIONS

Make entertaining easy for any event, large or small. Get creative dishes prepared by experienced Cooks that embody earthly elegance to please your guests.

Select from our menu of freshly made prepared foods or submit special order requests to meet your dietary needs or preferences.

All offerings are made with quality ingredients, naturally raised preservative-free meats and poultry, local & organic vegetables and more.

Find comfort foods or extravagant feasts to suit your gathering, tastes and budget in our standard catering menu enclosed.

Please review our menu enclosed and the how to order details on the back of this brochure. We look forward to working with you on any standard or special custom request order.
