

Whitney's Farm Stand

Cheshire, Massachusetts

Whitney's Farm Stand is located on Route 8 in Cheshire, Massachusetts. It is family owned and operated by Eric and Michelle Whitney. The original farm was a dairy operation run by Eric's grandfather. Whitney's Farm provides Wild Oats with sweet corn, tomatoes, peppers, squash, melons, beans, blueberries, apples, garden mums, and pumpkins. Their farm uses sustainable agricultural practices such as crop rotation and integrated pest management. For the past several years they have been gradually increasing their acreage and crops under production in response to growing consumer demand for local agricultural products.

Whitney's is open from Easter through Christmas. In addition to their large variety of farm-grown food products, they also offer Christmas trees and wreaths in the late Fall. Their Farm Stand is well known for its cider, apples, and Fall mums, as well as their pick-your-own pumpkin patch.

On Fall weekends Whitney's is a favorite family destination with hay rides, pony rides, a petting zoo, a haunted corn maze, a jump'in pumpkin, and a giant slide. It has been rated one of the "Top 10 Places We Love" by the *Boston Globe*.
